*featuring the ARTREACH theater adaptation of*

## “Aladdin”

In a far off land Omar the Magician seeks the magic lamp from the Cave of Wonders. Only Aladdin and his side-kick cat Persia can pass through its doors! From the lamp the Genie appears granting Aladdin three wishes and a ride upon a magic carpet, flying off to a world of adventure. Aladdin longs for the love of the Princess and fights upon and land and sea to win her hand. Just when it seems all is lost, Aladdin uses his cleverness to trick the evil Magician and save the Sultan's kingdom. At last the Sultan joins Aladdin and the Princess in a joyous marriage. For his final wish, Aladdin grants the Genie his freedom and the kingdom celebrates his victory.
